## CLUB GRANTS FUNDING - CARING FOR THE COMMUNITY

In 2016, our Club has helped over 60 community groups in the Manly LGA including social, health, sporting and charitable organisations. In conjunction with our RSL Sub branch, the combined club has donated over \$204,000 in the past twelve months, resulting in enormous benefits to the community. Our Club Grants Presentation Night was held on Thursday 25 August and we introduced four new community partners. Our newest friends are Fighting Chance for disabled people's employment opportunities, Balgowlah Boys Campus student wellbeing program, Manly Community Womens'

Shelter and the Baringa Bush Community Garden. We are proud to be a part of the work that is being done to support the community and it is growing year by year. (Check out our website for full details of Category 1 recipients).

## FIVE YEAR MEMBERSHIP

Your Club membership is our connection to the community and it's something we value. That is why we are delighted to offer you excellent value and benefits in our new five year membership program. This will benefit members and will also streamline club operations by changing to 'birthday renewal dates'. Going forward, the Club will send you a birthday gift to remind you of your renewal date.

## 60<sup>th</sup> ANNIVERSARY

Balgowlah RSL is turning 60 and we plan to honour the Club's wonderful history. We look forward to seeing you in November to have some fun with us to help celebrate this fabulous milestone. In those 60 years, the Club

has grown from a dream of a few mates with a tin shed into what it is today. In the 1960's it grew into a real clubhouse, followed by the Sydney Road building in 1990. The Ethel St Club was built in 1997 with a major extension in 2006 and a new car park deck in 2015. The next phase will be our new wine bar restaurant on Level 2.

## SOON - NEW WINE BAR AND RESTAURANT

Our new venture is well underway and renovations will be continuing over the next month or so. We plan to have a special opening night at the completion of the upgrade, expected for the end of November. 'The Wine Room' is designed to be a little upmarket, offering good food and wines.

It will feature a **Members Wine Club**, **Winemaker Dinners and Wine Tasting Events**, and will be the perfect meeting place for casual visits to the new **Wine Bar Lounge**. We hope you will make this your new destination for 2017.
