### Happy Fathers Day

G'day dads! Come on down to the Club for a free local tap beer with any main course in the Bayshores Bistro.

### Members Helping The Farmers

#### We've raised enough for 3 semi-trailers of hay

Thanks to the generosity of our members and the Club we raised enough to purchase three semi-trailers of hay for the starving farm animals out in the bush. The Club has put in \$19,500 to date and members have raised a whopping \$12,000. This includes one amazing donation of \$1,000. Thank you members. You come out in force every time there is a natural disaster to support in Australia.

### Parma for a Farmer

We will continue to help the farmers by donating \$1 from every chicken parmigiana sold, to buy water for the farmers, to help them keep going. So come on in and get into the chicken parmigiana. Let's build on the great work we are doing!

### The Invictus Games Down Under

In October the Invictus Games come to Australia. These are the games for the wounded soldiers from current war zones around the world. The games are a source of inspiration for people suffering from horrific injuries and trauma suffered in war. This is a cause that has RSL DNA all over it. Your Club and your RSL Sub Branch have got together to donate \$10,000 to help run a special day at Manly's Quarantine Station. This is one of the first events in the Invictus Games and is a welcome beach BBQ for 350 of the athlete's families and supporters from 18 countries around the world.

### Community Donations 2018

Balgowlah RSL is also donating funds to over fifty local charities, surf lifesaving clubs and junior sports groups through our community.

The majority of our donations go to children from damaged families at Dalwood Spilstead Centre; employment for disabled people 'Fighting Chance'; women in crisis at the Northern Beaches Women's Shelter and the list goes on.
